PREFACE

The Department of Economic & Statistics, Himachal Pradesh has been publishing annually the Himachal Pradesh Statistical Year Book. This publication for the year 2021 provides administrative data of the Government Departments.

The availability of administrative data is crucial for preparing an inclusive policy planning and decision making and in recognizing this demand the department has endeavored to collect statistical data from all the sources.

All efforts were made to incorporate up-to-date data to enable the readers to understand and be aware of the current statistics of the State. It is hoped that this publication will be useful for administrators, planners, research scholars and others.

I am grateful to all the concerned departments for their cooperation in providing the required statistical data for this publication. I also thank the Official Statistics Section for their tireless hard work in bringing out this publication.

Any suggestion and advice for further improvement in terms of Content, Presentation, Quality, etc. for the next publication would highly be appreciated.

Dr. Vinod Kumar Rana
Economic Adviser
Govt. of Himachal Pradesh
