PREFACE

The Statistical Year Book of Himachal Pradesh stands as a testament to our relentless efforts in gathering and presenting a vast array of data on the socio-economic aspects of our state. As this publication brought out annually by the Department of Economic & Statistics, serves as a vital tool for understanding the intricacies of State's economy.

Our team has painstakingly collected data from multiple sources, including various government departments, public sector undertakings, corporations and other official documents. As the 'Nodal Agency' for Official Statistics in Himachal Pradesh, the Department of Economic & Statistics envisions a cohesive and unified statistical system for the entire state. With 'One State One Statistics' as our guiding theme, we strive to establish a robust framework that ensures the accuracy, reliability, and accessibility of data for all stakeholders.

This publication marks a significant milestone in our pursuit of this vision. We are confident that the Statistical Year Book will serve as a vital resource for various professionals, including administrators, policy-makers, development planners, research scholars, tourists, and the general public. The information presented herein will empower them with insights and knowledge to make informed decisions, drive positive change, and contribute to the progress of Himachal Pradesh.

I am immensely grateful to all the collaborating departments, public sector undertakings, corporations and other organizations for their unwavering support and cooperation. Their willingness to share essential information has been instrumental in compiling this comprehensive repository of data.

Furthermore, I extend my heartfelt appreciation to the dedicated team of Officers and Staff in the Official Statistics Section. Their diligence, expertise, and commitment have been pivotal in gathering, verifying, and presenting the data in this publication.

As we embark on this journey towards establishing a more robust statistical system, we recognize the importance of continuous improvement. We, therefore, humbly request our esteemed readers to provide us with their valuable comments and suggestions. Your insights on quality, coverage, content, and presentation will be valuable in shaping future editions of the Statistical Year Book.

In conclusion, I express my deep gratitude to all who have contributed to this endeavor. Together, we can build a better Himachal Pradesh, where data-driven decisions and inclusive policies pave the way for prosperity and progress.
